“ I was shopping a Cost Co one day and pushing my cart I noticed that I was walking right next to my Uncle Lester. Well with nothing to lose I ran my cart into his and then into the end cap. Looking surprised he let out a big smile as he seen it was me. Of course his wife didn't recognize me and went off witch only added to our laughter. Great fun he was on a seconds notice.

“ Les was an old school decent human who was committed to his family , community and helping others. We bonded over veteran issues and our love of Walla Walla. Sending deepest condolences to Don and family.

“ We think of you all at this time with the passing of Uncle Lester. He will be missed by those that loved him so much. We will never forget the early years in our lives coming to his home and spending much time together with him and the family. So many fond memories, uncle Lester was always so gentle and kind. We are sorry to miss his service due to distance, but will be thinking of each of you on Saturday.

Our heartfelt condolences  
Ron, Barb, Rob and Edith.

“ Les was a very kind and compassionate person who was easily liked and was always ready to serve. He was a long time member of the Grandview Volunteer Fire Department back in the 70's. I'll always remember his friendly smile. Bless you Les
